^1 Algebra I

2010

2014

Students should check all prerequisites carefully to ensure they have the required background before enrolling in a particular course.

- This is intended as a guide only. Students must check program rules at http://www.uq.edu.au/study/plan.html?acad_plan=MECTR2001
- This program guide shows only prerequisites on the BE (mechatronic) course list, and does not show recommended prerequisites, or pre-requisites which are not on the course list. Students should check all prerequisites carefully to ensure they have the required background before enrolling in a particular course.

Extended Major in Mechatronic Engineering (#64)

Students must complete #60 units of Electrical Engineering extended major courses + #4 Approved Elective:

- All of the orange courses (#50) (Part A: Compulsory)
- Five (#10) of the green courses (Part B: Advanced Electives).
- Two (#4) approved Electives (including MATH1050 if no Maths C)
