

THE UNIVERSITY OF QUEENSLAND POSTGRADUATE INTERACTION DESIGN CONFERENCE

QUIDCONF

17TH & 18TH FEBRUARY 2005, IPSWICH AUSTRALIA

CALL FOR PAPERS

We invite you to participate in The University of Queensland postgraduate Interaction Design Conference (QUIDconf). The conference will be held at the Ipswich Campus of The University of Queensland, Australia on the 17th and 18th of February 2005.

The aim of the conference is to provide guidance and feedback to postgraduate students within the HCI community. Participants will have an opportunity to give a presentation on their research topic in front of a panel of academics and fellow PhD students. The feedback will be tailored to suit the level at which the student will benefit most. Postgraduate students with a research focus on emerging interaction modalities or design methods are encouraged to submit an 1-2 page abstract describing their research, clearly indicating relevant research questions and progress to date. Please refer to the website for more information on submission, venue and academic panel.

TOPICS

Papers could cover research related to:

- * Tangible computing
- * Social computing
- * Mobile and wearable computing
- * Augmented reality
- * User centred and participatory design
- * Context-aware computing
- * Design methods

All accepted abstracts will be published in the conference proceedings.
