TERPE - SAP EACADEMY ERP - INTEGRATION OF BUSINESS PROCESSES
The eAcademy content is accessible for 3 months for supported learning at your own pace. You will receive access information from your local training department. Please book the complete package referring to the code "TERPe".

The eAcademy TERPe is a package of the following training contents:
* TERP10 SAP ERP - Integration of Business Processes (e-learning + student handbook)
The recommended certification test is NOT included in the eAcademy package and must be purchased separately.

Help Desk Support is provided for the participants to enable them to understand the training material, resolve queries and assist in assignments during the access period. In this timeframe the participants will get access to training systems to work through the exercises and demo scenarios. For more information please contact your local training department.
CERTIFICATION TEST
C_TERP10_65 Associate Bus. Foundation & Integration with SAP ERP 6.0 EHP5

Booking Code
C_TERP10_65

This certification test verifies the knowledge in the area of Business Processes Foundation. This certificate builds on the basic knowledge gained by generic Business Processes Foundation consultant skills. It is refined by practical experience during several implementation projects.

Software

Number of Questions
80

Duration
180

Notes
* To ensure success, SAP recommends combining education courses and hands-on experience to prepare for your certification exam as questions will test your ability to apply the knowledge you have gained in training.
* You are not allowed to use any reference materials during the certification test (no access to online documentation or to any SAP system).
