**Part A : Compulsory Courses**

#18 units total

You may have received exemption for listed courses based on previous study. If so, you would replace the listed course with another equivalent weighted course.

**Part B : Research**

The research option involves individual year-long research thesis with an academic supervisor. If you are considering a research career, this is your best choice.

**Practitioner Option**

The practitioner option consists of 2 team-based capstone projects with industry partners, plus one research methods course.

**Part C : Interaction Design Electives**

#4 - #6 units

**Part D : General Electives**

#0 - #4 units
